SUBJECT: Statistical Reporting System for Non-staff Personnel

1. As I understand this, the DD/P will report all of its non-staff personnel (with the exception of field agents) to the Director of Personnel on a quarterly basis. This will therefore provide the Director with a list of both staff and non-staff personnel (exclusive of field agents) as recommended in our Survey of the Office of Personnel.

2. It seems to me that this complies with the spirit of our recommendations and no further action on our part is indicated.
